

RAPID RIG AUTOMATION

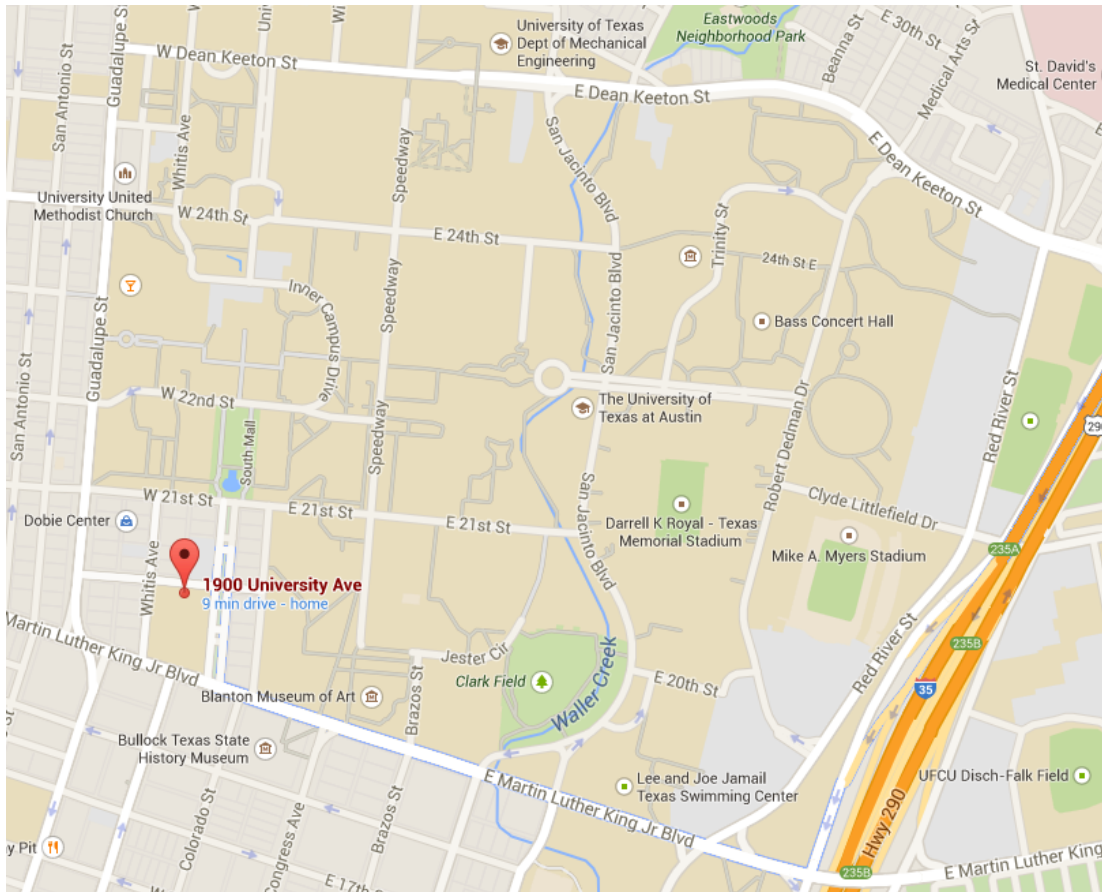

Performance Improvement in Drilling

May 8th Kick-off Meeting Agenda

AT&T Executive Center, Amphitheater
1900 University Avenue, Austin, TX 78705

9:30	10:00	Coffee & Registration	All
RAPID Overview			
10:00	10:20	Welcome Remarks, What is RAPID?	Eric van Oort
10:20	10:35	Grad Student Program / Senior Design Projects	Mitch Pryor
10:35	10:50	RTOC Applications / Case-based training curriculum	Pradeep Ashok
Senior Researcher Presentations			
10:50	11:05	Advanced modelling for oil & gas applications	Maggie Chen
11:05	11:20	Big data, human factors and decision-making	Pradeep Ashok
11:20	11:30	Break	
11:30	11:45	Downhole modelling, kick-detection, MPD	Ali Karimi
11:45	12:00	Advanced control, directional drilling, vibration mitigation	Behcet Acikmese
12:00	12:15	Intelligent mechanization, drilling automation, simulation	Mitch Pryor
12:15	12:30	RAPID Research Summary & Objectives	Eric van Oort
12:30	13:30	Lunch , Tejas Room at the AT&T Executive Center	All
Selected Graduate Student Presentations			
14:00	14:15	Drilling dynamics and control	Roman Shor
14:15	14:30	Making sense of high frequency data	Theresa Baumgartner
14:30	14:45	Improving quality of drilling data	Adrian Ambrus
14:45	15:00	Data aggregation & human factors in drilling automation	Parham Pournazari
15:00	15:10	Break	
Wrap-up			
15:10	15:40	RAPID Consortium Details	Mitch Pryor
15:40	16:00	RAPID Summary, Questions, & Feedback	Eric van Oort
16:00	18:00	Social , Gabriel's at the AT&T Executive Center	All

Getting to the AT&T Executive Center: 1900 University Ave, Austin, TX 78705 (www.meetatexas.com)

Directions from Austin-Bergstrom International Airport Drive west on SH 71 from the airport. In approximately 1 mile, exit north onto US-183. Continue roughly 2 miles to Airport Boulevard and exit. Follow Airport approximately 2.5 miles, then turn left onto East Martin Luther King Jr. Boulevard.

Stay on MLK past IH-35. You will notice the University of Texas campus on your right and the Texas State Capitol on your left. The Center will be on your right, just past the Blanton Museum of Art and the Bob Bullock Texas State History Museum.

Ample parking is available in our underground, attached garage. Guests may self-park or use our valet services at the University Avenue entrance.

Once Inside the Hotel: The Amphitheater is room 204 on Level M2.
